Words & relies by Denalyn Posai 2014

Under the leadership of then Ambassador Coordinator Elder Kevin Somoto 2009-2020

We are called for a mission
With the Advent Message
It's our greatest commission
To the world in our generation
We'll share our hope and our vision
To every tribe and every nation
Go for Him as Ambassadors

Chorus

We'll share the truth, we'll share our hope
Be His salt, be His light wherever we may go
Across the mountains and the rivers,
In every language share His love,
For we're empowered by the Master Ambassador

We have answered the call
For Christ's Love constrains us
Gives us pow'r to stand up tall
By His Spirit we are one
Take our lives and let them be
To build, encourage and inspire
As His work... will require

Sent by God to represent Heaven
To seek and serve that which was lost
He is the way and the brightest beacon
Winning souls He paid the cost
We too can make the difference
Cos we're empowered
By the Lord, By the Lord!

Coda

For we're empowered by the Master Ambassador
For we're empowered by the Master Ambassador,
Ambassador!
